

# VISION

Healthy ecosystems, communities, and economies that are resilient in the face of change.

## CLIMATE

An informed society anticipating and responding to climate and its impacts

## WEATHER

Society is prepared for and responds to weather-related events

## OCEANS

Marine fisheries, habitats, and biodiversity sustained within healthy and productive ecosystems

## COASTS

Coastal and Great Lakes communities that are environmentally and economically sustainable

ENTERPRISE**

ENTERPRISE OBJECTIVES

# MISSION

## Science, Service, and Stewardship

To understand and predict changes in climate, weather, oceans, and coast,  
To share that knowledge and information with others, and  
To conserve and manage coastal and marine ecosystems and resources.

U.S. Department of Commerce | National Oceanic and Atmospheric Administration
